

DOCUDRAFT SERVICES

Datolite Solutions, trusted advisors to the world's leading law firms, are experts in template development, document and proforma automation, and business intelligence solutions. The foundation of the Datolite team consists of the core of Kleinmundo, the original developer of the product that became Elite Design Gallery.

Founded in 2014, Datolite Solutions is now the world's largest and most experienced 3E Templates (Design Gallery), Paperless Proforma, DocuDraft and Document Studio (Whitehill) team, and official partners of Thomson Reuters and Aderant.

Our team of industry-leading experts can lead you and your team through the **Strategy, Implementation and Maintenance** of your DocuDraft project.
