Datolite SOLUTIONS

3E TEMPLTES (EDG)
PRODUCT ENHANCEMENTS

Information distribution specialists for the worlds leading law firms, Datolite Solutions is a leading provider of 3E Templates (Design Gallery) consulting services with a reputation for exceptional service, quality templates, and innovative custom solutions for 3E and Enterprise. Datolite has developed product extensions that expand the native functionality of 3E Templates to enable new solution possibilities. Click on the link below for more information.

OUR PRODUCT ENHANCEMENT OFFERINGS ARE AVAILABLE FOR YOUR FIRM'S UNIQUE NEEDS.
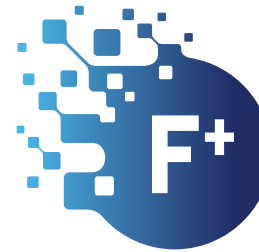

DATOLITE APPENDING SERVICE
Overwhelmed with too many documents? Our Appender Service can consolidate individual files based on your firms requirements.

DATOLITE FILE LOADER
The Datolite File Loader Addin enables you to load an image or pdf and insert it anywhere in an EDG or 3ET solution.

DATOLITE FORMATTING ADD ON
Our Datolite Formatting Addin allows you to fully support all of 3E's native formatting in your 3E Templates (EDG) output.
